

FAQ

Answers to common questions about Chubby Cattle NFTs, including minting, redemption, and member benefits.

What are the Chubby Cattle NFTs?

A unique set of 8,888 NFTs that unlock a variety of benefits ranging from free food for life to priority reservations and private events.

How do I mint or purchase the NFTs?

Our NFTs are released in rounds, once per quarter, to align with the rapid expansion of our North American locations. Minting a new NFT is now easily accessible to all, even if you're new to Web3 and cryptocurrencies. The process is simple — all you need is an email and a credit card.

To start, just click **Mint Now** under your desired tier. You can find tutorial videos in our Discord community.

How do I redeem my NFT at the restaurant?

During each visit, there are two ways to redeem your benefits:

1. Present your NFT to our server (through the website), who will scan the QR code attached to your NFT.
2. Tell us the information you provided during registration so that it matches the data in our system for quick identification.

🔒 We maintain the utmost confidentiality and security of your personal information.

Is the price a one-time fee or an annual charge?

It is a one-time fee that you pay upfront for a lifetime of free benefits. It is **not** a credit for future meals.

How long is my NFT valid for?

As long as you are an NFT holder, the benefits are lifetime.

How do I use priority reservation?

You must first verify through our automated system under **#holder-verify**, then find the **#reservations** channel under the "MEMBERS ONLY" category.

⌚ To accommodate your request, we kindly ask for at least 24 hours' notice.

How do I get verified ownership on Discord?

Head over to the **#holder-verify** channel and follow our simple guide to become verified. If you're stuck or minted with a credit card, please open a general support ticket and we will help you as soon as possible.
